

## **Math Recommendation for Admission to Palma School**

To be completed by the applicant's current Math teacher. Page 1 of 2

These remarks will only be seen by the Palma School Admission Committee and will remain confidential.

Name of Applicant	pplican <u>t</u> Current Grade Level □8□9 □10 □11 □12					□ 12
rrent Math Class Title Current Letter Grade in Class						n Class
Textbook / Online Programs Being <u>Used</u>						
Based on your experiences with teaching students as this level, students ever taught.	please rate this	applicant	for the foll	owing in re	∍ference	to all
Study Habits	Excellent (Top 10%)	Strong (Top 25%)	Average (Top 50%)	Below Average	Low	Not Covered/ Observed
Completes homework						
Writing is clear and legible						
Prepares for assessments						
Organizational skills						
Common sense						
Openness to learning new material						
Reaction to setbacks						
Critical and abstract thinking						
Numeracy						
Basic math facts (multiplication/division)						
Operations with fractions						
Operations with decimals						
Pre-Algebra						
Rewriting equations						
Operations with integers						
Operations with polynomials						
Solving multi-step equations						
Graphing points and lines on coordinate plane						
Algebra						
Factoring quadratics						
Operations with exponents						
Simplying radical expressions						
Multiplying radical expressions						
Ability to work with 3 forms of linear equations						
Ability to solve systems of equations						
Geometry						
Using 30-60-90 and 45-45-90 triangles						
Properties of parallel lines and transversals						
Congruency of triangles (SAS, ASA, SSS, HL, AAS)						
Finding unknown angles and chords in a circle						
Identifying corresponding angles, same side angles, alternate in	terior angles					
Advanced Algebra						
Operations with complex numbers						
Solving logarithmic equations						
Solving trigonometric equations						

## Math Recommendation for Admission to Palma School
